LOCKBOX ORDERING INSTRUCTIONS

The lockbox can be purchased using the following link:

- <https://www.knoxbox.com/>

Use the following link for the Knox website ordering instructions:

- [Website Ordering Instructions](#)

This is the list of Wellfleet approved products available for purchase:

Order this box if there is only one key to one structure (click on the link).

- [Knox HomeBox® 1500 - Surface Mount \(model 1501\)](#)
 - Select **Surface Mount**

Order this box if there is more than one structure and unique keys for each building. For example, a main house key and a cottage or studio key (click on the link).

- [1650 KnoxBox - Black - Surface Mount \(Model 1658\)](#)
 - Select **Surface Mount**
 - Select **Black**

The Fire Department reviews and approves every order to assure you have purchased a Wellfleet approved item. **The above listed items are the only items that will be approved for purchase.**

Once you've completed your order you don't need to do anything else. We receive notification directly from KNOX requesting that we approve your order. We will pull your contact information from that order and reach out to you using the email address you gave at the time of ordering. Your box will be delivered directly to the Fire Station at 10 Lawrence Rd. We will contact you to coordinate retrieving the key(s) and installation once your box has arrived at the station.

If you have any questions or require assistance, please contact our office via email or phone listed below.
